Place branding (includes place marketing and place promotion) is a term based on the idea that "cities and regions can be branded," whereby branding techniques and other marketing strategies are applied to "the economic, political and cultural development of cities, regions and countries." As opposed to the branding of products and services, place branding is more multidimensional in nature ...

Place branding - Wikipedia

Destination Branding: 3 Ways to Master Travel Marketing. by Brandfolder. Imagine you've just stepped into a yellow taxi on 5th Avenue. You glide along the pavement beneath giant, shining skyscrapers while the smell of fresh pizza wafts in through the window to ignite your appetite, and suddenly, you step out into the bright lights of Times Square where the energy is nearly palpable.

Destination Branding: 3 Ways to Master Travel Marketing

Place branding does to places what advertising does for products – it aims to sell them. Place branding is said to attract tourists, investment and industries looking for a new home. And it promotes places even to their own inhabitants by creating stronger and more coherent place identities. The promotion of places has a deep history.
