A Venture in Africa is certainly out of the ordinary. Andrew Sardanis, a Greek Cypriot who owned a chain of stores in Northern Rhodesia, was no friend of the British and particularly of the Provincial Administration in preindependence days. This antipathy was mutual as he sided with Kenneth Kaunda's United National Independence Party (UNIP).

Yes, Africa does need an innovative, venture building community supported by top universities, extensive risk capital, and passionate entrepreneurs. However, it cannot be Silicon Valley in Africa. It must be thoroughly African with lessons learned not only from Silicon Valley but from innovation engines across the globe.
