A World in Disarray is a wise and visionary
examination of the current world by
Richard Haass, the president of the US
Council on Foreign Relations. It is rich in
history, examining how we got where we are
today, and what needs doing to make things
better.

doing. Haass shows that the world cannot have stability or prosperity without the United States, but that the United States cannot be a force for global stability and prosperity without its politicians and citizens reaching a new understanding.

A World in Disarray: American Foreign Policy and the ...

An examination of a world increasingly defined by disorder and a United States unable to shape the world in its image, from the president of the Council on Foreign Relations. Things fall apart; the center cannot hold. The rules, policies, and institutions that have guided the world since World War II have largely run their course.

In A World in Disarray: American Foreign Policy and the Crisis of the Old Order (2017), Richard Haass asserts that the policies and institutions that have steered the world since World War II have become obsolete. In a world threatened by global challenges of terrorism, nuclear weapons, and climate change, deference to sovereignty cannot uphold order.
