Usually an activity
is something that a
student will do that

Get Free Activity

interacts with other students and or the teacher. In Moodle terminology, an Activity, such as Forums or Quizzes, properly means something students can contribute to directly, and is often contrasted to a Resource such as a File or Page,

Get Free Activity

which is presented by the teacher to them. However, the term activity is sometimes for convenience also used to refer to both Activities and Resources as a group.

Activities - MoodleDocs

Teachers can also

Get Free Activity

Search outside the school for resources to use in the classroom. By finding resources that are engaging, Martin helps make content vibrant and appealing to students.
