Have you ever asked yourself what changed when you were "born again?" You look in the mirror and see the same reflection - your body hasn't changed. You find yourself acting the same and yielding to those same old temptations - that didn't seem to change either. So you wonder, Has anything really changed? The correct answer to that question is foundational for receiving from God. If you lack this basic understanding, you'll forever ask yourself doubt-filled questions like: "How could God love somebody like me?" and "How can I possibly expect to receive anything from the Lord? I don't deserve it, I'm not good enough!" Spirit, Soul, and Body will help you eliminate those and other doubt-filled questions that destroy your faith. If you have trouble receiving from God, this is a must-read!

from being stolen by Satan. There is more to salvation than you have ever imagined. The forgiveness of sin was not the only thing included in your salvation. From God's perspective, it is just the beginning, a means to an end. Fellowship is the real goal. Now, become a disciple (learner and follower) of Jesus. Learn what separates Christianity from every other religion; how God sees past, present, and future sins; and much more. The Holy Spirit Living the abundant life that Jesus provided is impossible without the Holy Spirit. Before Jesus disciples received Him, they were weak and fearful. After receiving, each one became a powerhouse of God's miraculous power, and that's available to you. If you believe the Bible is true, then you must also believe the baptism in the Holy Spirit is God's will for everyone. In this book, Andrew establishes the validity of speaking in tongues, talks about the many gifts that accompany it, shares other little-known benefits, and explains how to begin speaking in tongues.

If you're honest, you'll admit you want to be promoted in life. You want the benefits of success, influence, and prosperity, and there's nothing wrong with that. It's what God wants for you too! Promotion even comes from God, and though relative to what God has called each person to do, it is available to every born-again believer! But even though promotion comes from God, it isn't God who determines whether you are promoted or not. It's you. You choose to be promoted by choosing to develop an excellent spirit, and in this book, Andrew Wommack will show you how. Using examples from the lives of Daniel and his friends, and from his own life, Wommack outlines the key characteristics of an excellent spirit including identity in Christ, true humility, full obedience, endurance, and an uncompromising stand with God's word. contrast, Wommack also explains the dangers of moral relativity and man-pleasing and how those characteristics often mire believers in a life of mediocrity and impotence. Personal talent, beauty, education and intelligence are also not what produce promotion; it is a devoted relationship with God which, in turn, produces an excellent spirit. No matter how much money you make or where you live; no matter who your connections are or the color of your skin; it is an excellent spirit that will be the true determiner of your promotion, and that spirit is what Wommack encourages you to pursue in Excellence.

God can do anything, but did you know He has already done everything? Instead of asking the Lord to do something for you - revive you, heal you, bless you, prosper you - accept what He has already done for you through the death, burial, and resurrection of Jesus Christ. God has left you precious promises in His Word and those promises belong to you right now through Christ. As you see for yourself what God has already done for you and in you, your walk with Him will become a joy and an adventure you never thought possible. Your faith in Him will be quickened, your heart encouraged, and your feet firmly set on His pathway of victory.

The controversial subject of the spiritual authority of the believer in Christ is widely discussed in the church today. Now, Andrew Wommack, host of the #1 fastest growing ministry on television, gives us a new perspective that may challenge everything we've been taught including: If believers have been given authority, then when, how, and toward what should it be exercised? Discover the true battleground and learn how to recognize the real enemy. Most people believe God created our enemy, Satan, but did He? Understanding the answer

will set you free to exercise your authority as a believer. Is spiritual warfare, as taught in many churches today, valid? Can believers use their authority to fight the devil and his demons in the air, or is the real battle in the mind? Digging into the Scriptures, Andrew reveals the spiritual significance of choices, words, and actions and how they affect a believer's ability to stand against the attacks of Satan and to receive God's best. Discover how the enemy works through your thoughts, interjecting his negative influence on a consistent basis. The devil can't control you outside of your will, but he can use the power of fear, jealousy, envy, bitterness, self-pity and more. A believer's lack of awareness and understanding of the battle only works to the enemy's advantage. By believing God's Word and recognizing what's happening in the spirit realm, you can begin to take the proper action to improve your situation. Learn to release God's power of blessing instead of yielding to Satan's power of sin and death.

Learning through experience definitely makes an impression, but isn't it better sometimes to learn from the successes and failures of others? Scripture tells us that those who came before us are examples for us (1 Cor. 10:6 and 11), given that we could learn what to do-and what not to do. Few offer us the lessons that Elijah does. Looking for God's provision? Elijah dealt with that. Trying to believe God when everything in the natural is against you? Elijah dealt with that too. Battling with self-pity? Elijah faced that as well. Elijah's ministry wasn't very long, but it was packed full of life lessons that we can use today. You may not think an Old Testament prophet has anything to teach you, but you'll want to think again-a man translated to heaven by a whirlwind must have something to share. The Word of God is like a seed and your heart is the soil. Most Christians want change in some area of their lives. They try and try to make those changes but soon find themselves falling back into the same habits and behaviors. Self-discipline and self-control have once again failed them. So how does lasting change take place? A worm doesn't struggle to become a butterfly in the cocoon. A seed doesn't strive to become a tree and produce fruit. They simply do what they were designed to do by god and the change takes place, effortlessly. The Word of God is like a seed and your heart is the soil. When it's planted and nurtured in the

soil of your heart, it begins to grow. The result is transformation; and the fruit becomes evident to all. If you want real change in your life, this book is for you.

Probably one of the most well-known characters in the Bible is David. He grew up a shepherd boy and defeated a giant named Goliath and then went on to be King of Israel. While king, David made some serious mistakes. However, David didn't try to place the blame on other people. He took responsibility and shouldered the blame himself. By doing this, he was described by God as a "man after His own heart." In this book, you will learn that God has a good plan for every individual. But sometimes you can thwart that plan by your own desire to fulfill certain desires and dreams but God's grace can bring you back to the plan that God has for you. Even though David made some mistakes and even cost people their lives, he repented and was able to turn the direction of those mistakes to want to serve the Lord. God's grace is evident through the entire life of David. Rather than having to go through your own hard knocks, the author encourages the reader to learn from these life lessons from David
