~~APA format for papers and essays [Word & Google Docs Template]~~

The APA citation style is a parenthetical author-date style, meaning that you need to put the author's last name and the publishing date into parentheses wherever another source is used in the narrative. The APA format consists of in-text citations and a reference list, along with guidelines for formatting the paper itself.

Multiple authors in APA. A standard source reference begins

File Type PDF Apa Citation Sample Paper

with the author's surname, followed by a comma, then the initial (s) of his or her first name. If there are multiple authors, place a comma between each of the author names and an ampersand (“&”) before the last author's name. If there are more than eight authors, list the first six followed by an ellipses “...” followed by the last author.

~~APA reference page | Page formatting & creating references~~

A list of all sources cited in the paper must be included at the end of the paper. The title of this list is "References" and must begin on a separate page after the last page of text. This heading should be centered on the page. Format citations with a hanging indent, double-spaced and with no extra lines between entries.
