The 50Genk20A is the same mirror as the 50Genk21A, but the wiring harness is made by MITO and is heavier duty with inline fuses. The 21A wiring harness is made by Gentex and is slightly thinner gauge wire. I went with the 20A and was glad I did. The hardest part is running the wire harness for the temperature sensor through to the interior of the car. I purchased this mirror for a 2013 Honda ...

[Auto Dimming Mirror 50genk21a - antigo.proepi.org.br](#)
The auto dimming feature works in an instant and beats having to change the mirror manually. The installation took a while to complete (about 2 hours). The biggest challenge is routing the wires. Be sure to get someone to help. Once calibrated the compass is dead on. (Don't forget to set the zone.) The instructions were well done, but this installation shouldn't be your first. If you've ...
