Winner of the National Book Critics Circle Award and the Man Booker Prize: An "extraordinary" novel "lit by a moral intelligence at once fierce and tender" (The New York Times Book Review). In a crumbling, isolated house at the foot of Mount Kanchenjunga in the Himalayas, an embittered old judge wants only to retire in peace. But his life is upended when his sixteen-year-old orphaned granddaughter, Sai, arrives on his doorstep. The judge's chatty cook

watches over the girl, but his thoughts are mostly with his son, Biju, hopscotching from one miserable New York restaurant job to another, trying to stay a step ahead of the INS. When a Nepalese insurgency threatens Sai's new-sprung romance with her tutor, the household descends into chaos. The cook witnesses India's hierarchy being overturned and discarded. The judge revisits his past and his role in Sai and Biju's intertwining lives. In a grasping world of colliding interests and conflicting desires, every moment holds out the possibility for hope or betrayal. Published to extraordinary acclaim, *The Inheritance of Loss* heralds Kiran Desai as one of our most insightful novelists. She illuminates the pain of exile and the ambiguities of postcolonialism with a tapestry of colorful characters and "uncannily beautiful" prose (O: The Oprah Magazine). "A book about tradition and modernity, the past and the future—and about the surprising ways both amusing and sorrowful, in which they all connect." —The Independent

Voyage is a French course with grammar and progression at its heart designed to help teachers cover all the requirements of the National Curriculum. The course provides clear explanations and a variety of practice activities, making learning and teaching easier. It fully integrates differentiation to meet the needs of a wide-ability range and includes regular assessments such as end-of-unit tests at Key Stage 3 and examination practice at Key Stage 4. It addresses the information and communication technology component of the National Curriculum.

All fiction is character-driven, according to William Bernhardt, despite what you might have heard elsewhere. If your characters don't interest readers, even the most exciting plots will fail. "Action is character," Aristotle wrote, but what does that mean, and how can you use that fundamental principle to create dynamic fiction that will captivate readers? This book explains the relationship between character and plot, and how the perfect melding of the two produces a mesmerizing story. Using examples spanning from The Odyssey to The Da Vinci Code, Bernhardt discusses the art of character creation in a direct and easily comprehended manner. The book also includes exercises designed to help writers apply these ideas to their own work. William Bernhardt is the author of more than fifty novels, including the blockbuster Ben Kincaid series of legal thrillers. Bernhardt is also one of the most sought-after writing instructors in the nation. His programs have educated many authors now published by major houses. He is the only person to have received the Southern Writers Gold Medal Award, the Royden B. Davis Distinguished Author Award (U Penn) and the H. Louise Cobb Distinguished Author Award (OSU), which is given "in recognition of an outstanding body of work that has profoundly influenced the way in which we understand ourselves and American society at large." The Red Sneaker Writing Center is dedicated to helping writers achieve their literary goals. What is a red sneaker writer? A committed writer seeking useful instruction and guidance rather than obfuscation and attitude. Red sneakers get the job done, and so do red sneaker writers, by paying close attention to their art and craft, committing to hard work, and never quitting. Are you a red sneaker writer? If so, this book is for you.
