Understand virtually any contract and sign on the dotted line with confidence. This is the first book to explain contract terms in language for the layperson. This indispensable A to Z guide covers: definitions of over 300 common terms found in contracts how to decipher the language of contracts which clauses are important and which aren't illegal and dangerous contract clauses to watch out for, and how to negotiate or change contracts. Contracts: The Essential Business Desk Reference will help you save money by explaining which clauses are important so that you can avoid a pricey professional review by a lawyer. Written in plain English, this book is especially useful for law students and business owners (including one-person operations and independent contractors), but still contains enough detail to have a place on nearly any lawyer's bookshelf.
