Lighting Guide 04: Sports lighting (2006) (pdf)

This LG14 'Control of electric lighting' is the first edition of a wholly new SLL Lighting Guide. It sets out a logical approach for the professional designer to consider the consultation, design, specification, commissioning and handover of a lighting installation incorporating controls. Luminaire and controls technology is moving quickly and some forms of emerging controls technology have yet to prove themselves and become commonplace in the built environment.
