- - excerpt from review by DaMon Ross."Dr. Mansur Hasib brings an executive MBA to technology professionals in one book in Cybersecurity Leadership: Powering the Modern Organization. It is a significant reference book for leadership in any organization; however, it specifically addresses the challenges unique to technology and cybersecurity.

Cybersecurity Leadership: Powering the Modern Organization ...

Cybersecurity Leadership: Powering The Modern Organization (book review) Dr. Mansur Hasib has done a great job creating this book to be a great guide in teaching cybersecurity. Not only will you gain great knowledge, but you will learn how to take this knowledge and teach others and become a great leader in the Cybersecurity industry.

Cybersecurity Leadership: Powering the Modern Organization ...

Overall, I found Cybersecurity Leadership: Powering the Modern Organization to be tremendously valuable for those leaders who are trying to take their careers or programs to the next level from operational or tactical to strategic. Learning to let go of the keyboard is a challenge for many technology professionals and, if not overcome, eventually inhibits their career growth.
