Completely revised and updated, this groundbreaking self-published book has sold more than 15,000 copies through limited exposure and distribution. Electrical Nutrition outlines the authors' revolutionary theories on health and nutrition based on an electrical model. Everything we think, feel, eat, and do triggers electrical responses in our bodies. Each of our cells is electrically charged, and therefore the electrical availability of what we eat has a profound effect on our health, vitality, and well-being. Instead of focusing on the chemical reactions that occur in every system of the human body, the authors contend that there is a simultaneous electrical reaction that has an equally, if not even more, important impact on our ability to digest and benefit from the food we consume. Any interruption to the flow of the body's natural electrical circuitry will have a negative effect on a cellular level which, in turn, will promote disease. Electrical Nutrition offers a practical program that includes menu plans and a listing of the best "electrically available" foods-a plan that will dramatically increase stamina, vitality, and even libido. By eliminating foods that are "electrically dead," we can rid the body of toxins that promote obesity and a host of illnesses, from chronic fatigue to heart disease, while boosting the body's natural energy and immune function.

Body electronics is a self-healing system that utilizes nutrient saturation through diet and supplementation. Thomas Chavez learned this discipline under its developer, Dr. John Whitman Ray, and in Body Electronics, Chavez expands it to cover every imaginable trauma and illness. The basis for the approach is the melting of melanin protein complexes (crystals) in the body that develop through years of poor diet, insufficient water, poor bowel ecology, and other factors. The book addresses such topics as how to achieve appropriate levels of nutrient saturation with the right combination of enzymes and minerals; how much water to drink and why it's important; how eating cooked food can be a damaging addiction; and how to achieve a healthy relationship with bacterial flora for intestinal health. In addition to physical wellness, the book addresses spiritual and psychological well being. The results of body electronics have been called miraculous; this book shows why.

Completely revised and updated, this groundbreaking self-published book has sold more than 15,000 copies through limited exposure and distribution. Offering a totally new electrical/energy perspective on health, nutrition, and well-being, "Electrical Nutrition" is a self-help guide written in logical easy to understand language. This book redefines the various causes of disease, and how life's issues, the birthing process, emotions, pharmaceutical drugs, immunizations, antibiotics, and food all effect the body's electrical system.

Brighton Baby: A Revolutionary Organic Approach to Having an Extraordinary Child - The Complete Guide to Preconception & Conception is about helping couples achieve optimal health - mentally, physically, emotionally, and spiritually - before you conceive your future child. Author and perinatal expert, Roy Dittmann, OMD, MH takes couples on a journey that celebrates the power of love as the intangible [blueprint of life]. Dr. Dittmann exposes the dangers of conceiving in our toxic world and focuses couples on how to prepare body, mind, and spirit for the moment of conception. Using integral wisdom, Dr. Dittmann helps couples go from [overwhelm] to taking practical steps to realize their goals of having an extraordinary child. [Brighton Baby is about the art and science of gifting the best of who we are to our future children. It is about reducing human suffering by preventing subtle and overt birth defects before they occur. It is about transforming the context inside of which we conceive and birth children.] - Roy Dittmann, OMD, MH, author Throughout the book, Dr. Dittmann turns the spotlight on the hidden dangers of: heavy metals and other toxins, genetically modified foods, pesticides, artificial sweeteners, rancid oils, antibiotics, processed foods, contaminated drinking water, electrosmog, and the pluses & minuses of vaccines - merging science and common sense to compel couples to take action today to prevent birth defects in their future child. Brighton Baby is a call to action for couples to commit now to consciously preparing for your future child together.

Tap into the extraordinary power of electricity to heal your body and empower your life Everything is electric. This seemingly simple observation has transformational repercussions on the way we think about and approach physical, mental, and emotional health. Electric Body, Electric Health is a manifesto for personal empowerment based on an electrical view of life. Author of Tuning the Human Biofield, Eileen Day McKusick is an expert in the emerging field of electric health and has taught thousands how to transform effortlessly through learning to [think electrically.] By illuminating the biological nature of our electrical bodies, McKusick empowers readers to clear the static, noise, and resistance from this system and experience greater energy, clarity, and order. Electric Body, Electric Health makes use of simple, easy-to-implement practices such as: - Awareness practices - Perspective shifts - Breathing practices - Simple lifestyle changes - Improved emotional management - and more... in order to help readers improve their health and enhance their daily lives. It will give you the tools to transform your relationship with your body, your mind, your emotions, and the electrical world around you.

The solution for chronic inflammation, regarded as the cause of the most common modern diseases, has been identified! Earthing introduces the planet's powerful, amazing, and overlooked natural healing energy and how people anywhere can readily connect to it. This never-before-told story, filled with fascinating research and real-life testimonials, chronicles a discovery with the potential to create a global health revolution.

There are countless books on the market about nutrition, diet, and exercise in isolation.Optimal Aging brings these topics together as they relate to the process of aging and the diseases which so often accompany it. Written by Jerrold Winter, PhD, a professor of pharmacology and toxicology and the author ofTrue Nutrition True Fitness, this book provides an integrated discussion about health matters, offering evidence-based advice regarding nutrition, exercise, and the use of pharmaceuticals as they relate to dementia, obesity, diabetes, cancer, pain, and other hazards of aging. Amid a sea of contradictory information about what's healthful, Optimal Aging stands out, delivering a comprehensive discussion about healthy living that's buoyed by source references, illustrative anecdotes, and just the right dose of humor. Drawing from current scientific understanding and providing historical perspectives, Winter speaks sensibly about drugs and their effects, vitamins and minerals, exercise, weight control, and treatment of age-related symptoms and diseases. With this authoritative book in hand, you'll gain a fundamental understanding of the disparate factors that come together to influence your well-being, setting you on the path to a longer, healthier, and happier life.

We've all been there-angry with ourselves for overeating, for our lack of willpower, for failing at yet another diet that was supposed to be the last one. But the problem is not you, it's that dieting, with its emphasis on rules and regulations, has stopped you from listening to your body. Written by two prominent nutritionists, Intuitive Eating focuses on nurturing your body rather than starving it, encourages natural weight loss, and helps you find the weight you were meant to be. Learn: *How to reject diet mentality forever *How our three Eating Personalities define our eating difficulties *How to feel your feelings without using food *How to honor hunger and feel fullness *How to follow the ten principles of Intuitive Eating, step-by-step *How to achieve a new and safe relationship with food and, ultimately, your body With much more compassionate, thoughtful advice on satisfying, healthy living, this newly revised edition also includes a chapter on how the Intuitive Eating philosophy can be a safe and effective model on the path to recovery from an eating disorder.

With the combination of Coach Melvin's Dynamic Application of Internal Awareness(tm) (DAIA) Method, Dr. Totton's 100-day method to condition your body's neural pathways to establish a new habit which then becomes automatic, and with Dr. Painter's method of committed practice of Li Family Yixingong (Standing Meditation) to produce profound results at the neurological level, novices to advanced practitioners gain the ability to access your inner core, tapping into an area that can positively affect your overall well-being, prevent stress from taking hold, and give you perpetual mental-physical rejuvenation.
