This book examines the formation of U.S. government policy toward the American Indian tribes during the period 1820-1890. Chapter 1 describes the early 19th century debate between the Gradualists, who believed in the peaceful assimilation of the Indians into white society, and the Removalists, who advocated forced removal

of the tribes to the West. Andrew Jackson  
coalesced the two positions, producing a  
policy of separation that would ideally give  
the Indians time to acculturate.
