Spend some time reading up on how forex trading works, making forex trades, active forex trading times, and managing risk, for starters. As you may learn over time, nothing beats experience, and if you want to learn forex trading, experience is the best teacher. When you first start out, you open a forex demo account and try out some demo trading. It will give you a good technical foundation on the mechanics of making forex trades and getting used to working with a specific trading platform.

Forex Trading Course (LEARN TO TRADE STEP BY STEP) - YouTube

In forex trading, you sell one currency to purchase another. The exchange rate tells you how much you have to spend in quote currency to purchase base currency. A long position means that you want to buy the base currency and sell the quote currency. In our example above, you would want to sell U.S. dollars to purchase British pounds.
