Tonality is a system of
harmony created & used in
the Common-Practice Period
(that is, in the Baroque,
Classical and Romantic Eras
of classical music), so from
about 1700 to 1900. Tonal
harmony is the 'standard'
music theory that you learn
through your Classical music
studies.

Introduction To Because you lose the crutch Tonal harmony, you are forced to make your improvisations more interesting by using different devices such as motivic development and rhythmic patterns. And as chords become less important (read non-functional), the melody becomes relatively more important. The soloist can't rely on the chord progression to structure his/her solo anymore, the solo must instead ...
