IN the Victorian era, sensational ghost stories were headline news. Spine-chilling reports of two-headed phantoms, murdered knights and spectral locomotives filled the pages of the press. Spirits communicated with the living at dark s ances, forced terrified families to flee their homes and caused superstitious workers to down their tools at the haunted mines.This book contains more than fifty hair-raising - and in some cases, comical - real life accounts from Wales, dating from 1837 to 1901. Unearthed from newspaper archives, they include chilling prophecies from beyond the grave, poltergeists terrorising the industrial communities, and more than a few ingenious hoaxes along the way.

In the Victorian age ghost stories made headline news, were used as evidence in the court room, and forced terrified families to flee their homes, while so-called psychic mediums plied their trade on the high street. This book reveals for the first time 50 terrifying - and in some cases, comical - cases dating from 1837 to 1901, unearthed from archive newspapers.They include chilling prophecies from beyond the grave, poltergeists who terrorise the God-fearing communities, spectral locomotives which hurtle around the industrial landscape, and more than a few ingenious hoaxes along the way.

This book contains classic material dating back to the 1900s and before. The content has been carefully selected for its interest and relevance to a modern audience. Carefully selecting the best articles from our collection we have compiled a series of historical and informative publications on the subject of Welsh history. The titles in this range include "A History of Religion in Wales" "The Romans in Wales" "A Guide to the Welsh Language" and many more. Each publication has been professionally curated and includes all details on the original source material. This particular instalment, "The Folklore and Ghost Stories of Wales" contains information on the legends and mythology of Wales. Intended to illustrate the main features of Welsh folklore it is a comprehensive guide for anyone wishing to enjoy the tales and understand them in their historical context. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

*Includes pictures *Includes online resources and a bibliography for further reading "To be born in Wales, not with a silver spoon in your mouth, but, with music in your blood and with poetry in your soul, is a privilege indeed." - Brian Harris Wales is a fascinating and ancient land filled with history. Prehistoric ruins, medieval castles, and old coaching inns are only some of the historic sites people visit. The Welsh have their distinct language and customs and have always felt themselves to be a people apart from the neighboring English. This division goes back to the 5th century, when the ancient Britons fled west in the face of the Anglo-Saxon incursion. The Anglo-Saxons were made up of three tribes-the Angles, Saxons, and Jutes-from what is now Denmark and northern Germany. These tribes took advantage of the Roman legion's departure to attack vulnerable Britons, taking over England until the Britons in Wales defied them. This defiance continued into the Middle Ages, and numerous wars occurred as successive English kings tried and eventually succeeded in asserting their will over the rebellious country. With such a storied and violent past, it is no surprise that Wales has many tales of ghosts. The Ghosts of Wales: A Collection of Ghost Stories across the Welsh Nation is a collection of such tales, just a few among the thousands of local legends and modern sightings that make people think Wales is one of the most haunted countries in the world. It is part of a collection of other books written by Sean McLachlan, including The Ghosts of England: A Collection of Ghost Stories across the English Nation and The Ghosts of Ireland: A Collection of Ghost Stories across the Emerald Isle. Along with pictures of important people, places, and events, you will learn about the ghosts of Wales like never before.

Britain has a rich folklore, and the most fascinating figures in British folklore are undoubtedly fairies, who were first described in the Middle Ages, but were most fully analysed by 19th century Victorians, who were clearly intrigued by them.

Wales is one of the most haunted countries in the world. This title explores it's haunted heritage and presents studies of original sources revealing insights into Welsh folklore and resurrecting ghost stories which have been long forgotten.

A collection of spine-chilling tales of hauntings, paranormal activity and supernatural phenomena from right across Wales.

The new urban fantasy series that has readers jumping at shadows. Chicago cop Adam Wright has picked up a spiritual hitchhiker, the ghost of a dead man who desperately wants to live again. So he turns to supernatural P.I. Sylvie Lightner to rid him of the spirit-a spirit she finds strangely familiar.
