Da Venezia al deserto dei Gobi, alla Cina del Gran Khan del Katai, fino alle più remote province dell'impero. Catturato dai genovesi dopo una battaglia navale, detta a un compagno di prigionia il resoconto dei suoi viaggi per il mondo, Il Milione, un trattato geografico che è insieme una sintesi di storie, leggende e miraggi. L'uomo che ha raccontato all'Europa che cos'è l'Oriente.

Marco Polo was nicknamed "Marco of the millions" because his Venetian countrymen took the grandiose stories of his travels to be exaggerated, if not outright lies. As he lay dying, his priest, family, and friends offered him a last chance to confess his mendacity, and Marco, it is said, replied "I have not told the half of what I saw and did." Now, in his new novel The Journeyer, Gary Jennings has imagined the half that Marco left unsaid as even more elaborate and adventurous than the tall tales thought to be lies. From the palazzi and back streets of medieval Venice to the sumptuous court of Kublai Khan,

from the perfumed sexuality of the Levant to the dangers and rigors of travel along the Silk Road, Marco meets all manner of people, survives all manner of danger, and, insatiably curious, becomes an almost compulsive collector of customs, languages and women. In more than two decades of travel, Marco was variously a merchant, a warrior, a lover, a spy, even a tax collector - but always a journeyer, unflagging in his appetite for new experiences, regretting only what he missed. Here - recreated and reimagined with all the splendor, the love of adventure, the zest for the rare and curious that are Jennings's hallmarks - is the epic account, at once magnificent and delightful, of the greatest real-life adventurer in human history. An Italian reader for beginning through intermediate Italian students Il Milione di Marco Polo (Abusio, Abusio, Giglio, and Giglio) is the story of Marco Polo ´ s journey told through 20 separate episodes. Each episode is followed by a set of questions and activities. This reader is softbound, 6 " × 9 " , and 102 pages in length.

One night. Two paths. Infinite danger. On the night of the big spring break party, seventeen-year-old Hadley "borrows" her boyfriend Ben's car without telling him. As payback, he posts a naked picture of her online for the entire senior class to see. Now Hadley has a choice. She can go back to the party and force Ben to delete the picture. Or she can raise the stakes and take his beloved car on a road trip as far away from their hometown of Oak Grove, Ohio, as she can get. Each storyline plays out in alternating chapters. In one strand, Hadley embarks on a reckless adventure with her best friends, spinning the perfect plan for revenge. In the other, stuck in a car with her ex-boyfriend, Josh, she's forced to revisit the mistakes they each made, including whether they should ever have broken up at all. As events of a wild night race toward an explosive conclusion, old feelings are rekindled, friendships are tested, and secrets uncovered that are so much worse than a scandalous photo. A Million Times Goodnight is a fast-paced romantic contemporary thriller ripped right from the headlines.
