A Brief Introduction To Autonomous Vehicles | Brulte & Company

To be autonomous is to be self-governing. In this text, I introduce the concept of personal autonomy as it is generally understood in bioethics. Two theories of autonomy are explained in brief terms, namely Juth ' s and Beauchamp and Childress ' s. I think that the concept is fruitful also in political contexts, but I will leave it...

Introduction to autonomy theory – J. Ahlin Marceta

Introduction. A View from 10,000 Feet. The concept of an autonomous car has been around for many, many decades. In fact it predates the construction of our interstate system (though not the idea of an interstate) and it significantly predates the modern computer. General Motors first popularized the idea at the World ' s Fair in 1939 with an ...
