~~Gravity — James Hartle —  
Ebook Center~~

An introductory,  
undergraduate text in  
general relativity at the  
junior senior level. The  
development follows a  
physics first approach. The  
simplest physically relevant  
solutions of the Einstein  
equation are presented  
first, without derivation,  
to be explored and applied  
to realistic astrophysical  
situations like black holes,  
gravitational radiation, and
