This new edition contains extracts from a wide range of relevant and interesting case law, statutory material, academic writing and official proposals for law reform. In a subject that is heavily case-based, the content of Todd and Watt's *Cases and Materials on Equity and Trusts* provides a complete source of reference for students. Logically set out, the book is structured to correspond to a typical undergraduate course in equity and trusts, with materials linked by engaging commentary and stimulating questions with answers, as well as suggestions for further study. The sixth edition has been revised to include a new chapter dedicated to equitable doctrines and remedies. It has also been updated to include the Charities Act 2006, the Law Commission report on Trustee Exemption Clauses (2006) and consultation paper on Cohabitation (2006), and numerous new cases, including *Re Farepak Foods* (2006), *Re Horley Town Football Club* (2006), *Barlow Clowes International Ltd. (In Liquidation) v. Eurotrust International Limited* (2005), and *Charter plc v City Index Ltd* (2007). This new edition is especially notable for the inclusion of extracts from recent scholarly articles by several of the world's leading academic thinkers on the law of trusts. Online Resource Centre Fully supported by an Online Resource Centre orientated towards consolidating students' understanding and providing a forum for self-assessment. Resources include regular updates to changes and developments in relevant cases, suggested answers to questions in the book, and links to

Equity and Trusts: A Problem-Based Approach creates a fresh approach to learning through the use of integrated realistic case studies designed to simulate how the law works in practice. With comprehensive coverage of the complete equity and trusts curriculum, unlike other textbooks, it integrates a thorough exposition of the legal rules with applied problem-solving opportunities, highlighting the legal issues and providing essential context for the law. The book's goal is to familiarise students with a more active and practical approach to equity and trusts that will deepen their knowledge and understanding. Written in a clear and concise style but without sacrificing detail or analysis, Judith Riches not only provides students with a full and wide-ranging account of the law, but also helps them to develop the analytical and problem-solving skills they will need to succeed in their studies and beyond. Key features include: Case studies at the start of each chapter provide real-world context to each topic and help to familiarise readers with the legal language and style they will encounter Apply Your Learning boxes invite students to reflect and consolidate on the content covered in order to apply the law back to the case study Consider This boxes present variations to the case studies and alternative scenarios to challenge students to take their application of the law to the next level Key Cases and Statutes boxes reinforce the essential role of cases and legislation in the development and application of land law and help students identify key sources of legal authority for revision purposes Tutor Tips highlight important issues and opportunities to impress tutors
