The Novartis Foundation Series is a popular collection of the proceedings from Novartis Foundation Symposia, in which groups of leading scientists from a range of topics across biology, chemistry and medicine assembled to present papers and discuss results. The Novartis Foundation, originally known as the Ciba Foundation, is well known to scientists and clinicians around the world.

The host of FOX's My Kitchen Rules shares 130 recipes that bring back the pleasure of cooking and the wonder of connection into your home. For internationally known chef Curtis Stone, cooking is a pleasurable journey, not just a destination. In this wonderful book featuring his favorite dishes, Curtis inspires us to turn meal preparation into a joy rather a chore through delicious recipes, mouthwatering photographs, and handy make-ahead tips. He also shares plenty of heartwarming, personal stories from time spent in his kitchen and around the table with family and friends, reminding us that good food and a good life are intrinsically intertwined. His go-to recipes include: • Light meals: Roasted Beet and Quinoa Salad with Goat Cheese, Fennel, and Pecans; Weeknight Navy Bean and Ham Soup; Pork Burger with Spicy Ginger Pickles • Scene-stealing dinners: Porcini-Braised Beef with Horseradish Mascarpone, Herb-Crusted Rack of Lamb with Fennel, Potato and Zucchini Enchiladas with Habanero Salsa • Family-style sides: Pan-Roasted Brussels Sprouts with Chorizo, Butternut Squash with Sage and Brown Butter, Cheddar-and-Corn Cream Biscuits • Sweet treats: Cherry-Amaretto Lattice Pie, Rum Pound Cake with Lime Glaze, Chilled Yellow Watermelon Soup with Summer Berries • Favorite breakfasts: Crêpes with Homemade Ricotta and Maple-Kumquat Syrup, Smoked Salmon Omelet with Goat Cheese and Beet Relish, Maple Bran Madeleines • Satisfying snacks: Popcorn with Bacon and Parmesan, Bruschetta with Spring Pea Pesto and Burrata, Chocolate-Hazelnut Milkshake, and many more Praise for Curtis Stone "Curtis Stone loves to cook. Unlike so many chefs, cooking's not a job to him. It's a joy. And you feel that every time he slips behind a stove."—Ruth Reichl

[View other cover designs by searching the Series Title.] Tablets, notebooks, PDAs and phones are not convenient during a meeting. Author Services" [NDAS] in its multiple series of 600, 365 and 150 page Journals, Notebooks, Grid Notebooks, Blank Books, etc.

\*\*\*FINALIST, USA Best Books 2010 Awards – Spirituality & Self-Help: Relationships The quest for lasting love is one of life's essential pursuits, in some ways the most essential. But it's also a quest that's impossible to separate from spiritual and sexual needs. In Eros Ascending, author John Maxwell Taylor offers a wide-ranging study of sexual dysfunction in society and explains how healthy sexuality can be an entryway to universal love and higher consciousness. Based on Taylor's twenty-three-year experience with Taoist practices, the book presents an engaging analysis of love, relationships, and sexuality from spiritual, romantic, and sexual perspectives. Taylor melds essential ideas by Jung, Gurdjieff, and Taoist Master Mantak Chia with science, biology, spiritual tradition, and current popular culture to shed new light on this eternal yet misunderstood subject. Not just for couples, the book is equally useful for single people who want to understand the methods for "learning to love yourself " in preparation for a fulfilling, long-term relationship. Taylor draws on his eclectic background as a successful playwright, composer, actor, and musician in this persuasive plan for converting ordinary sexual energy into food for the soul.

Family and Civilization is the magnum opus of Carle Zimmerman, a distinguished sociologist who taught for many years at Harvard University. In this unjustly forgotten work Zimmerman demonstrates the close and causal connections between the rise and fall of different types of families and the rise and fall of civilizations, particularly ancient Greece and Rome, medieval and modern Europe, and the United States. Zimmerman traces the evolution of family structure from tribes and clans to extended and large nuclear families to the small nuclear families and broken families of today. And he shows the consequences of each structure for the bearing and rearing of children; for religion, law, and everyday life; and for the fate of civilization itself. Originally published in 1947, this compelling analysis predicted many of today's cultural and social controversies and trends, including youth violence and depression, abortion and homosexuality, the demographic collapse of Europe and of the West more generally, and the displacement of peoples. This new edition, part of ISI Books' Background series, has been edited and abridged by cultural commentator James Kurth of Swarthmore College and includes essays on the text by Kurth, Allan Carlson, and Bryce Christensen.

Compared to other technologies like the television, VCR, and even personal computer, the rapid pace of DVD adoption is unprecedented. This information-packed book offers thorough instruction on how to build appealing DVD menus using the DVD Studio Pro toolset, a sophisticated, professional-level DVD authoring tool from Apple. The book features real-world tutorial projects that demonstrate how to get fast, professional results, add Hollywood features to a DVD, and streamline production while maintaining a creative edge. It also shows how to create a wide variety of menu styles, automate image production, customize menus, construct seamless motion menus, and much more. Written by two graphic designers with years of experience designing interfaces, Designing Menus with DVD Studio Pro is an informative companion to a high-powered piece of software.

Two Hearts, One God.? Should Anything Else Matter? Zora Nella Hampton Johnson knows exactly where she comes from—and her daddy won't let her forget. Of course for that privilege he keeps her in Prada and Kate Spade, Coach and YSL. He chooses her boyfriend, her car, her address, and ignores her love of painting, art, and the old ways of her granddaddy's soulful AME church—where the hymns pleaded, cajoled, and raised the roof. Her daddy may be a preacher, but some-where among the thousands of church members, the on-site coffee house, and the JumboTron, Zora lost God. And she wants Him back. Nicky Parker, a recent graduate of Berkeley and reformed playboy, also suffers the trials of being a preacher's kid, and he can't remember the last time he saw eye-to-eye with his white, racist, Southern Baptist father. What he does remember—and it will be forever burned in his brain despite myriad prayers to Jesus—is the way Zora looked the first time he saw her. Like Nefertiti. Only better. When they meet at a bible study far from their respective home churches, the first churchly, sarcastic sparks that fly sizzle with defensiveness. But God has a special way of feeding the flames and though of different flocks, these two lost sheep will find Him and much, much more. Click here to listen to an interview with Claudia Mair Burney: <http://buzzplant.com/zoranicky/earad1/#/author-interview/>

Written by a practicing business attorney with startup experience in the environmental and technology sectors, this comprehensive handbook assists entrepreneurs in tackling the wide variety of opportunities to go green. A one-stop resource for entrepreneurs, it helps readers incorporate clean technology, environmental practices, and green business approaches into the work environment. The book discusses how to sell to utilities, explores fundraising outlets for green businesses, covers government incentives, presents key startup tools aimed at green businesses, and addresses challenges of many new businesses, such as raising money and making sales. Additional resources are available on the book's website.

Outstanding collection of 400 motifs: floral designs, geometrics, arabesques, mythical creatures, rosettes, paisley patterns, palmettes, medallions, border and marginal decorations, scrolls, curves, and hunting scenes.
