A collection of stories from one of Maine's master fishing guides. There is little about the remote town Grand Lake Stream, in eastern Maine, and its surrounding lakes that Randy Spencer doesn't

know like the
back of his
hand. Spencer, a

learned from the
best, and has

experience as a

fill several
lifetimes. Wide

its most remote,
rural Maine is
truly
breathtaking in
its natural

Spencer is
unrivaled in his
ability to

capture like no other the experiences of fishing and hunting in some of the most hidden and undisturbed areas in the world. The relationship between a sport and his guide is an ongoing

OverDrive is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and

surf fishing.

Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and

more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors
