The Oral History Society promotes the collection, preservation and use of recorded memories and plays a key role in facilitating and developing the use of oral history. If you are interested in working with oral history, you should join the only organisation in Britain and Northern Ireland that supports and debates such activities.

Oral History Society | leading the development of oral history

Ideally, an oral history should offer the interviewee the opportunity to reflect on their life and relationships thoughtfully and honestly without having to follow a party line. And it is your attentiveness and willingness to take the interviewee's feelings and experiences seriously that enables that thoughtful reflection.

CONDUCTING ORAL HISTORIES WITH FAMILY MEMBERS GUIDELINES ...

The Oral History Association stands in solidarity with the family of Mr. Floyd, Black Lives Matter, protestors, and communities of color, and we echo this call for change. The killing of George Floyd is not an isolated incident, but another event in a long history of state violence and brutality toward people of color in the United States—a history that predates our country itself.
