3. This book is based off The Wizard of Ozs famous song Over the Rainbow. This lullaby opens up a world beyond the clouds and over the rainbow for the imagination to run wild. This is an introductory verse song book that will carry children beyond the world they know. 4. This song book version of Over the Rainbow is as endearing as it sounds.

Over the Rainbow Book Audio Cd Book Cd

In this unique offering of a book and CD recorded by Judy Collins, take a magical journey over the rainbow... This classic song has been transformed into a magnificent picture book and CD set. Breathtaking and magical artwork by Eric Puybaret--who painted the critically-acclaimed illustrations that helped turn PUFF, THE MAGIC DRAGON into a blockbuster bestseller--will carry young readers from a little red farmhouse up over the rainbow, into the sky where bluebirds fly and castles rise high in the clouds, and beyond. The extraordinary soundtrack for this book is performed by Judy Collins, who has recorded what might be the very best version of "Over the Rainbow" ever sung. The winner of a Grammy Award, Collins' glorious voice is one of the most admired of the 20th and 21st centuries. Her version of this classic will delight and touch the heart of every parent and child who listens. As an added bonus, the enclosed CD also contains two delightful additional songs recorded by Judy Collins: "White Choral Bells" and "I See the Moon."

A whimsical color concept board book that shares a some fun pop music history while teaching children all the colors of the rainbow. Preschoolers learning to identify colors will love this whimsical book, while music-savvy parents will love the artistic representation of some of their favorite song titles, including Little RED Corvette, BLUE Suede Shoes, and PINK Moon, just to name a few.

When a group of social activists arrives in a small town, the lives and beliefs of residents and outsiders alike are upended, in this wry, embracing novel. Big Burr, Kansas, is the kind of place where everyone seems to know everyone, and everyone shares the same values—or keeps their opinions to themselves. But when a national nonprofit labels Big Burr " the most homophobic town in the US " and sends in a task force of queer volunteers as an experiment—they ' ll live and work in the community for two years in an attempt to broaden hearts and minds—no one is truly prepared for what will ensue. Furious at being uprooted from her life in Los Angeles and desperate to fit in at her new high school, Avery fears that it ' s only a matter of time before her " gay crusader " mom outs her. Still grieving the death of her son, Linda welcomes the arrivals, who know mercifully little about her past. And for Christine, the newcomers are not only a threat to the comforting rhythms of Big Burr life, but a call to action. As tensions roil the town, cratering relationships and forcing closely guarded secrets into the light, everyone must consider what it really means to belong. Told with warmth and wit, Under the Rainbow is a poignant, hopeful articulation of our complicated humanity that reminds us we are more alike than we ' d like to admit.

The most beautiful fish in the entire ocean discovers the real value of personal beauty and friendship.

"Beyond the Rainbow Bridge" is a treasure house of practical and inspiring wisdom for raising children. Based on a successful parent enrichment class led by a seasoned teacher and parent. Learn about healthy rhythms, creative discipline, birthday stories, and doll making. Appendix with resources and craft instructions. Richly-illustrated with photographs and pencil drawings. Though Anderson Cooper has always considered himself close to his mother, his intensely busy career as a journalist for CNN and CBS affords him little time to spend with her. After she suffers a brief but serious illness at the age of ninety-one, they resolve to change their relationship by beginning a year-long conversation unlike any they had ever had before. The result is a correspondence of surprising honesty and depth in which they discuss their lives, the things that matter to them, and what they still want to learn about each other. Both a son ' s love letter to his mother and an unconventional mom ' s life lessons for her grown son, The Rainbow Comes and Goes offers a rare window into their close relationship and fascinating life stories, including their tragedies and triumphs. In these often humorous and moving exchanges, they share their most private thoughts and the hard-earned truths they ' ve learned along the way. In their words their distinctive personalities shine through—Anderson ' s journalistic outlook on the world is a sharp contrast to his mother ' s idealism and unwavering optimism. An appealing memoir with inspirational advice, The Rainbow Comes and Goes is a beautiful and affectionate celebration of the universal bond between a parent and a child, and a thoughtful reflection on life, reminding us of the precious insight that remains to be shared, no matter our age.

Instant National Bestseller The long-awaited autobiography by one of heavy metal ' s most revered icons, treasured vocalists, and front man for three legendary bands—Rainbow, Black Sabbath, and Dio. Prior to his tragic death in 2010, Ronnie James Dio had been writing his autobiography, looking back on the remarkable life that led him from his hometown in upstate New York to the biggest stages in the world, including the arena that represented the pinnacle of success to him—Madison Square Garden, where this book begins and ends. As Ronnie contemplates the achievement of a dream, he reflects on the key aspects that coalesced into this moment—the close gang of friends that gave him his start in music, playing parties, bars, frats, and clubs; the sudden transition that moved him to the microphone and changed his life forever; the luck that led to the birth of Rainbow and a productive but difficult collaboration with Ritchie Blackmore; the chance meeting that made him the second singer of Black Sabbath, taking them to new levels of success; the surprisingly tender story behind the birth of the Devil Horns, the lasting symbol of heavy metal; his marriage to Wendy, which stabilized his life, and the huge bet they placed together to launch the most successful endeavor of his career...his own band, Dio. Everything is described in great detail and in the frankest terms, from his fallout with Blackmore, to the drugs that derailed the resurrection of Black Sabbath, to the personality clashes that frayed each band. Written with longtime friend of thirty years and esteemed music writer, Mick Wall, who took up the mantle after Ronnie ' s passing, Rainbow in the Dark is a frank, startling, often hilarious, sometimes sad testament to dedication and ambition, filled with moving coming-of-age tales, glorious stories of excess, and candid recollections of what really happened backstage, at the hotel, in the studio, and back home behind closed doors far away from the road. (Black and white photos throughout plus an 8-page 4-color photo insert.)

Despite the differences between people around the world, there are similarities that join humanity together, such as pain, joy, and love. On board pages.
