"Built from the skulls of fallen generals and demon princes, the Skull Throne of Krasia is a seat of honor and powerful magic that keeps the demon corelings at bay. Now it stands empty. From atop it, Ahmann Jardir was meant to conquer the known world, forging a unified army to end the demon war once and for all. Arlen Bales, the Warded Man, stood against this course, challenging Jardir to a duel to the death. Rather than risk defeat, Arlen cast Jardir and himself from a precipice, opening a struggle for succession that threatens to tear the Free Cities of Thesa apart"--Back cover.

A follow-up to the best-selling *The Warded Man* continues the adventures of reluctant savior Arlen Bales, who wonders at the identity of a spear-wielding figure that emerges from the desert and leads a vast army intent on a holy war. Reprint.

New York Times bestselling author Peter V. Brett returns to his groundbreaking *Demon Cycle* series with this enthralling novella—the latest story set in his much-loved fantasy world. Each night, the world is overrun by bloodthirsty demons. For centuries, humanity survived only by hiding behind defensive wards—magical symbols with the power to repel the demons. Now, the rediscovery of long-forgotten combat wards has given them the magic they need to fight back. In Tibbet ’ s Brook, the fighting wards have brought change, but the factions and grudges of a troubled past remain. Selia Square, the woman they call Barren, has long been the force that holds the Brook together. As a terrifying new threat emerges, she rallies her people once again. But Selia has a past of her own. And in a small community the personal and the political can never be divided. If Tibbet ’ s Brook is to survive, Selia must uncover memories she has buried deep—the woman she once was, the woman she once loved—and retell their story.

As darkness falls each night, the corelings rise, demons who well up from the ground like a hellish steam, and when young Arlen decides to brave the night roads and face the demons, he attempts something not dreamt of since ancient times: a stand against the night.
