Haynes has all the routine  
maintenance answers. Modern  
cars like the Peugeot 206  
need much less maintenance  
than the vehicles of 25  
years ago, but they still  
have needs. You no longer  
have to do a service every 6  
months or change the oil  
every 3 months, but regular  
fluid changes are still  
essential to your Peugeot  
206's longevity.
