Ponti (pronounced pon-tee) is the name of a fabric. A thick, double-knit fabric with two-way stretch. Two way stretch is important because it moulds to your body-shape and holds you in at the same time – genius. Ponti is a fabric you may have seen over the last few years in pants (kinda like leggings, but kinda not) but you will be seeing a LOT more of it this winter. It's popping up all ...

Ponti is one of the most exciting books I have read in ages. . . There's something so effortless about Teo's prose, which captures Singapore from the late 1960s up to 2020. The book is as funny as it is strange, it is complex as it is light. . . Teo manages to spin the time period with ease and keep the reader utterly engrossed . . . Teo is an exciting author and Ponti is step one of a long ...
