The consequence: News consumers lose. Stories go uncovered, are under-reported, or are reported poorly. And commentary – once the specialty of newspapers – has become commoditized. Readers today are fed a steady diet of hot takes or insta-commentary of a news story before they 've had an opportunity to read the original straight-news report.

Unless a book is utter tosh, I tend to persevere to the end. Splinter tested my ability to persevere, and it was only through sheer bloody-mindedness that I got to the end. There were simply too many twists and turns in the plot (which made it confusing, rather than exciting), and this seemed to be at the expense of creating credible characters.
