Release It!: Design and Deploy Production-Ready Software ...

While both aspects of Design and Deployment are most often handled in separate books you seem to concentrate on glueing them together in one book. Personally I have some weakness in the Deployment part or better said in the release stuff.

Get Free Release It Design And Deploy Production Ready Software

However I think creating a good Design is much tougher to achieve than a process of release management. Simply because to my opinion Design is an art while the release management is a (also tough) one-time discipline.
