This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Examines personal belief systems and societal views Marriages and Families: Diversity and Change, 8th edition, challenges students to examine their personal belief systems and societal views. Using an engaging narrative and sociological approach, the text integrates race, class, and gender into the discussion of family experiences. It guides students to make informed choices and decisions about their own marriage, family, and intimate relationships.

Public and Private Families: A Reader, seventh edition, exemplifies Andrew Cherlin's belief that families matter in both the public and private sphere, and the book's 28 readings reflect this notion. Keyed to the fourteen chapters of Cherlin's successful text Public and Private Families: An Introduction, also in its seventh edition, the reader includes both veteran and updated materials that both supplement and enhance the introduction.

This best-selling text on marriages, families, and relationships combines a rigorous scholarly and applied approach with a theme especially relevant to today's dynamic global environment: making choices in a diverse society. The authors use an engaging narrative to create a highly readable text that offers insightful perspectives on the diversity of our modern society, including different ethnic traditions and family forms. The balanced presentation discusses a variety of theoretical perspectives (e.g., family ecology, structure-functional, interaction-constructionist, family systems, biosocial), emphasizing both social structure and the importance of individual agency, choice, and decision-making. Students are encouraged to question assumptions and reconcile conflicting ideas and values as they make informed choices in their own lives. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

As the title suggests, Public and Private Families: An Introduction, seventh edition, discusses the family in two senses: the private family, in which we live most of our personal lives, and the public family, in which we, as adults, deal with broader societal issues such as the care of the frail elderly, the increase in divorce, and childbearing outside of marriage. The book examines intimate personal concerns, such as whether to marry, as well as societal concerns, such as governmental policies that affect families. Distinctive chapters examine contemporary issues such as income assistance to poor families, the effects of out-of-home childcare, and the costs of Social Security and Medicare programs. A companion reader to this textbook, Public and Private Families: A Reader, seventh edition, with 14 same-named chapters, has 34 readings from both the popular press and academic journals.

Marriages and Families in the 21st Century puts contemporary relationships and family structures in context for today's students. Using a bioecological framework, the book reveals how families are shaped by multiple influences, from biological to cultural, that interact with one another. Chapters cover topics from parenting to gender issues within an interdisciplinary context, weaving in stories, visuals, and examples of diverse families to dispel longstanding myths. The book creates a personalized learning experience with frequent self-assessments and strengths exercises, while ensuring that students come to understand the research and build scientific analysis and critical thinking skills along the way. Robust digital tools and resources including SAGE edge and an interactive eBook with SAGE Premium Video help readers develop a multi-layered understanding of today's modern families while challenging them to re-evaluate their own assumptions and experiences. SAGE Premium Video included in the Interactive eBook! Families Today videos boost comprehension and bolster analysis--easily accessible via the interactive eBook. Your students save when you bundle the interactive eBook with the new edition. Use bundle ISBN 978-1-5063-9879-2. Learn more. SAGE coursepacks: Our Content Tailored to Your LMS!
