From the blurb we know that the main protagonist is Smoky Barrett, an all singing and dancing FBI agent at the top of her game, well usually, until she's beset by a huge tragedy that knocks her sideways and is compelled to undertake counselling. On the whole I liked the character. My sticking point was the name, Smoky??!!

Shadow Man describes FBI agent Smoky Barrett, her recovery from the brutal aftermath of bringing down one serial killer, and her rejoining active duty to work with her team to catch another such killer. The story is graphic but not gratuitous in its use of violence; do not read it if you aren't prepared for this darkness and pain. The major characters are quite three-dimensional and nuanced ...
