Sraigė su beisbolo lazda. Ilgą laiką negalėjau atsikratyti minties (ir vilties), kad Sigitas Parulskis turėtų rašyti poeziją, gal net ir tik poeziją. Juk gana ilgą laiką autorius buvo sietas su mūsų poezijos postmoderniškėjimu, poezijos išvadavimu nuo siaurų temų, pereinant prie visų, įteisinant žemąją leksiką ir pan. Žodžiu, padovanojęs mūsų skaitytojams keletą ...

**rašyk.lt: „Sraigė su beisbolo lazda“ Sigitas Parulskis** Sraigė su beisbolo lazda. Dar nė karto nesu apie tai rašusi – apie rašytojų išnaudojamą komerciniams tikslams ir žeminančius darbus, kuriuos jie dirba, stengdamiesi likti gyvi. Mat anksčiau suvokiau rašytojus kaip padarus ir taip žemos prigimties, niekingus ir egoistiškai parazituojančius mūsų progresyvioje ir nuolat laimingėjančioje visuomenėje. O dabar jau abejoju, ar ...

**Sraig su beisbolo lazda**

From the reign of the Tsars in the early 19th century to the collapse of the Soviet Union and beyond, the short story has long occupied a central place in Russian culture. Included are pieces from many of the acknowledged masters of Russian literature – including Pushkin, Turgenev, Dostoyevsky, Tolstoy, and Solzhnitsyn – alongside tales by long-suppressed figures such as the subversive Kryzhanowsky and the surrealist Shalamov. Whether written in reaction to the cruelty of the bourgeoisie, the bureaucracy of communism or the torture of the prison camps, they offer a wonderfully wide-ranging and exciting representation of one of the most vital and enduring forms of Russian literature.

“An exceptionally vivid memoir of a French soldier’s experience of the First World War.”–Max Hastings, New York Times bestselling author Along with millions of other Frenchmen, Louis Barthas, a thirty-five-year-old barrelmaker from a small wine-growing town, was conscripted to fight the Germans in the opening days of World War I. Corporal Barthas spent the next four years in near- ceaseless combat, wherever the French army fought its fiercest battles: Artois, Flanders, Champagne, Verdun, the Somme, the Argonne. First published in France in 1978, this excellent new translation brings Barthas’ wartime writings to English-language readers for the first time. His notebooks and letters represent the quintessential memoir of a “poilu,” or “hairy one,” as the untidy, unshaven French infantryman of the fighting trenches was familiarly known. Upon Barthas’ return home in 1919, he painstakingly transcribed his day-to-day writings into nineteen notebooks, preserving not only his own story but also the larger story of the unnumbered soldiers who never returned. Recounting bloody battles and endless exhaustion, the deaths of comrades, the infuriating incompetence and tyranny of his own officers, Barthas also describes spontaneous acts of camaraderie between French poilus and their German foes in trenches just a few paces apart. An eloquent witness and keen observer, Barthas takes his readers directly into the heart of the Great War. “This is clearly one of the most readable and indispensable accounts of the death of the glory of war.”–The Daily Beast (“Hot Reads”)

"In a major reassessment of modern conservatism, historian Kathryn S. Olmsted reexamines the explosive labor disputes in the agricultural fields of Depression-era California, the cauldron that inspired a generation of artists and writers and that triggered the intervention of FDR's New Deal. Right Out of California tells how this brief moment of upheaval terrified business leaders into rethinking their relationship to American politics--a narrative that pits a ruthless generation of growers against a passionate cast of reformers, writers, and revolutionaries. Olmsted reveals how California's businessmen learned the language of populism with the help of allies in the media and entertainment industries, and in the process created a new style of politics: corporate funding of grassroots groups, military-style intelligence gathering against political enemies, professional campaign consultants, and alliances between religious and economic conservatives. The business leaders who battled for the hearts and minds of Depression-era California, moreover, would go on to create the organizations that launched the careers of Richard Nixon and Ronald Reagan. A riveting history in its own right, Right Out of California is also a vital chapter in our nation's political transformation whose echoes are still felt today"--

Love has no rules. It's been a year since Eden Munro last saw Tyler Bruce: her stepbrother...and secret love. Although they swore to ignore their feelings and put their family first, Eden can't help but feel excited when Tyler invites her to join him in New York City for the summer. But it's not like anything is going to happen. Eden is happy with her boyfriend Dean, and she knows gorgeous, green-eyed Tyler must have moved on as well. But as they spend the long, hot summer in the city that never sleeps, it becomes obvious that those old feelings are still there...simmering beneath the surface. Will Tyler and Eden be able to resist temptation? Did I Mention I Need You? is book two in Wattpad sensation Estelle Maskame's DIMILY trilogy: three unforgettable summers of secrets, heartbreak and forbidden romance. The DIMILY Trilogy: Did I Mention I Love You? (Book 1) Did I Mention I Need You? (Book 2) Did I Mention I Miss You? (Book 3)

Most retrospective accounts of the world in 1913 reduce it to either its most frivolous features u last bright summers in grand aristocratic residences u or to its most destructive ones: the rivalries of great European powers, rumbling social unrest in Russia and the angst of Viennese coffee houses. The portraits that result are dominated either by the faded pastels of aristocratic indulgence or the undifferentiated blackness of a world on the brink of the abyss. The true nature of the times u optimistic, modern and internationalist, as much as pessimistic, archaic and nationalist u is lost. 1913: The World before the Great War proposes a different and more expansive portrait of 1913, returning this world to its contemporary freshness. It brings key elements u the way it was ordered, its presumptions, its expectations for the future u back to life. It paints a coherent picture without skimming over differences, or ignoring contradictions. What emerges is unexpected: more richly patterned, more diverse and more outwardly secure. Through the stories of cities from Detroit to Bombay, Winnipeg to Durban, Tokyo to Algiers, Charles Emmerson reveals a year in which a truly global society was emerging for the first time in human history.

From the bestselling Bridget Jones's Diary that started the trend to the television sensation Sex and the City that captured it on screen, "chick lit" has become a major pop culture phenomenon. Banking on female audiences' identification with single, urban characters who struggle with the same life challenges, publishers have earned millions and even created separate imprints dedicated to the genre. Not surprisingly, some highbrow critics have dismissed chick lit as trashy fiction, but fans have argued that it is as empowering as it is entertaining. This is the first volume of its kind to examine the chick lit phenomenon from a variety of angles, accounting for both its popularity and the intense reactions—positive and negative—it has provoked. The contributors explore the characteristics that cause readers to attach the moniker "chick" to a particular book and what, if anything, distinguishes the category of chick lit from the works of Jane Austen on one end and Harlequin romance novels on the other. They critique the genre from a range of critical perspectives, considering its conflicted relationship with feminism and postfeminism, heterosexual romance, body image, and consumerism. The fourteen original essays gathered here also explore such trends and subgenres as "Sistah Lit," "Mommy Lit," and "Chick Lit Jr.," as well as regional variations. As the first book to consider the genre seriously, Chick Lit offers real insight into a new generation of women's fiction.

Traces the rise and fall of the Mexican singer and movie actress, how her talent school was a front for a sex-slave operation, the paternity of the child she conceived in prison, and other details of her career and her legal troubles.
