Barnes & Noble®

The Bride was a Boy is an autobiographical manga that tells the true-life story of a Japanese woman named Chii, who was assigned male at birth but identifies as a woman. This cheerful graphic memoir follows Chii through several important phases in her life, from questioning her gender as a child, to realising she is transgender, her emotional journey to figuring out what that means, her decision to transition, choosing a new name for herself, coming out to her friends and family, learning ...

The Bride was a Boy - Book Review - Everywhere

The Bride Was a Boy is a really charming graphic novel about the author's transition and about the author's relationship leading up to her wedding. There are also a number of insights told outside the narrative as informative snippets that go into LGBT- and trans-related topics and issues, particularly as they exist in Japan.
