It is possible to translate the noun "???" as "servant" or "son.". In fact, John has son (????), but Luke has "servant" (?????). It may be the case that the ambiguity of "???" led to the different terms in Luke and John, and it is also possible the servant was so beloved by the centurion he considered him as a son.

Centurion's Son has some well developed and interesting characters and has a storyline that is as exciting as it is believable. My only criticism is that in a few places the focus of the story seems to switch character with little notice and occasionally I had to go back a few lines just to ensure I knew what was happening.
