The Elder Gods is the first book in The Dreamers Series by David Eddings. This series takes place in a new 'universe', but the stories feel a lot like Mr. Eddings other books but are my least favourite of his stories. I did enjoy the books, but for me they don't feel quite as epic as his other reads.

The Elder Gods (The Dreamers #1) Author: David Eddings. Preface. The Land of Dhrall, if we are to believe the sometimes fanciful legends of the region, has existed in its present location since the beginning of time. Father Earth is unstable, and other continents move hither and yon across the face of Mother Sea, wandering, ever wandering, in search of new places in which to abide, but the Land of Dhrall, we are told, was firmly anchored to its present location by the will of the gods of ...

The Elder Gods: Book One of the Dreamers by David Eddings ...

Immortal. The Elder Gods, also referred to as the Elder Deities, have mostly human-like appearance and they are benevolent in nature. In different parts of the world such as Egypt, Mesoamerica, and the Mediterranean they were worshipped by ancient humans. Nowadays, they are remembered as the gods in just about every ancient race, including Greek, Norse, Egyptian, Aztec, and many others.

The Dreamers Ser.: The Elder Gods by Leigh Eddings and ...

The Elder Gods is the first of four books involving strong men and women, weak men, a lot of gods and their magic, and of course an evil character. Though slightly less riveting than their other books, it is a well-told tale that really keeps drawing you in. The tale is told and retold from the perspective of the various key actors.

the Younger Gods, the Vlagh plans to take advantage of their weakened state and neutralize them, eventually conquering the world. To do so, it is breeding a terrible force borne of monsters and demons. But one ray of hope shines through the darkness: four children called the Dreamers.

While most continents float freely on the face of Mother Sea, the Land of Dhrall survives anchored by the will of the Gods. All Gods, Elder and Younger, share the people and the land of Dhrall equally. But the one place they never enter is The Wasteland: a barren and hideous wilderness ruled by the Vlagh--a god-like creature whose young are evil spawn. Now, as the Elder Gods are about to transfer their power to the Younger Gods, the Vlagh plans to take advantage of their weakened state and neutralize them, eventually conquering the world. To do so, it is breeding a terrible force borne of monsters and demons. But one ray of hope shines through the darkness: four children called the Dreamers. They alone hold the power to change the course of history...and stop the Vlagh in its quest for total world domination.

In this major publishing event, two of the most important names in epic fantasy offer the first of a four-book series.

Somewhere beyond the farthest pole of the world, the land of Dhrall lies anchored by the will of four powerful Gods. Able to bend reality to their whims and influence the lives of mortal men, these deities are still bound by the laws of nature and cannot take lives. Yet the Gods are not the only power. For in the center of Dhrall lives a voracious horror known as the Vlagh. A nightmare made flesh, the Vlagh has bred a massive army of hideous monsters to overrun the world. In

the coming battles the people of Dhrall will be aided by a ragtag force of foreign mercenaries and pirates, but the true champions of the war will be four enigmatic children known as the Dreamers. Raised by the Gods themselves, these children can alter the fabric of reality. But, unlike the Elder Gods, the Dreamers do not hesitate to kill...

Flush from their narrow victory over the horrific Vlagh, Longbow and his companions are drawn to a pastoral territory in south Dhrall, confident that they will thwart the next assault by their inhuman foe. But on the border of the Wasteland, the Vlagh is breeding a monstrous new army of venomous bat-bugs and armored spiders. These grotesque legions threaten to overwhelm the allies, who are further shocked by a prophecy delivered by the Dreamers: an invasion by a new, second army. A force of armed acolytes approaches to plunder this unspoiled land in a global holy war. Now farmers and hunters, soldiers and madmen, mortals and gods-all charge to a battle that will decide the fate of the world.

In the thrilling conclusion to *The Dreamers*, the Vlagh prepares for one merciless attack that will pit her forces against the might of both the Elder Gods and the Younger Gods. All may be for naught, however, if the allies fail to respond to the fact that one within their ranks is losing her mind.

After two devastating defeats and the utter annihilation of two armies, the hideous Vlagh still vows to invade the land of Dhrall. A voracious insectile overmind, she can breed millions of soldiers in mere days and even evolve entire new species in just a week. At first, Dhrall's mortal defenders—a motley

bunch of mercenaries, pirates, horse lords, and lone heroes like the archer Longbow-are certain they'll prevail again. Most are now battle-hardened veterans, and the natives of Dhrall are fierce bison hunters and bear slayers, ready to fight. But while the Vlagh's past servants were giant, venomous, and mindless bugs, it has now created perfect spies: new minions with a man's appearance and intelligence. Corrupted by the agents of the Vlagh, the human tribes are soon at one another's throats. Far, far worse for mortals is the fact that the Gods can no longer be trusted. For, nearing the end of their 25,000 year cycle, the Elder Gods are doddering toward senility and dementia. And to add to mankind's plight, a strange mysterious entity is manipulating the forces in the upcoming strife and neither gods nor mortals know its true intentions. Now, beset by astonishing, dire challenges, Longbow and his fellow mortals must wage a bitter war against a supernatural enemy-one that has evolved in ways they could have never imagined...

Down below in Tacoma, the group around Dan Alders' brother had been held together by a mutual taste for beer, spirits and endless arguments - with a little lying and wife-stealing on the side. But now, high in the mountains on a test of endurance, jealousy is tearing friendships apart.

Randolph Carter dreams three times of a majestic sunset city, but each time he is abruptly snatched away before he can see it up close. When he prays to the gods of dream to reveal the whereabouts of the phantasmal city, they do not answer, and his dreams of the city stop altogether. Undaunted, Carter resolves to go to Kadath, where the gods live, to beseech them in person. However, no one has ever been to Kadath and none even knows how to get there. In dream, Randolph Carter descends "the seventy steps to the cavern of flame"
