an accessible introduction to the art of listening to jazz In How to Listen to Jazz, award-winning music scholar Ted Gioia presents a lively introduction to one of America's premier art forms. He tells us what to listen for in a performance and includes a guide to today's leading jazz musicians. From Louis Armstrong's innovative sounds to the jazz-rock fusion of Miles Davis, Gioia covers the music's history and reveals the building blocks of improvisation. A true love letter to jazz by a foremost expert, How to Listen to Jazz is a must-read for anyone who's ever wanted to understand and better appreciate America's greatest contribution to music. "Mr. Gioia could not have done a better job. Through him, jazz might even find new devotees." -Economist

Bookmark File PDF The History Of Jazz Ted Gioia

"A dauntingly ambitious, obsessively researched" (Los Angeles Times) global history of music that reveals how songs have shifted societies and sparked revolutions. Histories of music overwhelmingly suppress stories of the outsiders and rebels who created musical revolutions and instead celebrate the mainstream assimilators who borrowed innovations, diluted their impact, and disguised their sources. In *Music: A Subversive History*, Ted Gioia reclaims the story of music for the riffraff, insurgents, and provocateurs. Gioia tells a four-thousand-year history of music as a global source of power, change, and upheaval. He shows how outcasts, immigrants, slaves, and others at the margins of society have repeatedly served as trailblazers of musical expression, reinventing our

most cherished songs from ancient times all the way to the jazz, reggae, and hip-hop sounds of the current day. Music: A Subversive History is essential reading for anyone interested in the meaning of music, from Sappho to the Sex Pistols to Spotify.

Taking a wide-ranging approach rare in jazz criticism, Ted Gioia's brilliant volume draws upon fields as disparate as literary criticism, art history, sociology, and aesthetic philosophy in order to place jazz within the turbulent cultural environment of the twentieth century. He argues that because improvisation--the essence of jazz--must often fail under the pressure of on-the-spot creativity, we should view jazz as an "imperfect art" and base our judgments of it on an

"aesthetics of imperfection."

Incorporating the thought of such seminal thinkers as Walter Benjamin, José Ortega y Gasset, and Roland Barthes, *The Imperfect Art* offers vivid portraits of the giants of jazz and startling insights into this vital musical form and the interaction of society and art.

An introduction for new fans, a useful handbook for jazz enthusiasts and performers, and an important reference for students and educators, this second edition of Ted Gioia's *The Jazz Standards*--now updated by popular demand-- belongs on the shelf of every serious jazz lover or musician.

Why Jazz Happened is the first comprehensive social history of jazz.

Bookmark File PDF The History Of Jazz Ted Gioia

It provides an intimate and compelling look at the many forces that shaped this most American of art forms and the many influences that gave rise to jazz's post-war styles. Rich with the voices of musicians, producers, promoters, and others on the scene during the decades following World War II, this book views jazz's evolution through the prism of technological advances, social transformations, changes in the law, economic trends, and much more. In an absorbing narrative enlivened by the commentary of key personalities, Marc Myers describes the myriad of events and trends that affected the music's evolution, among them, the American Federation of Musicians strike in the early 1940s, changes in radio and concert-promotion, the introduction of the long-playing

record, the suburbanization of Los Angeles, the Civil Rights movement, the "British invasion" and the rise of electronic instruments. This groundbreaking book deepens our appreciation of this music by identifying many of the developments outside of jazz itself that contributed most to its texture, complexity, and growth.

Uncovers the unexplored history of the love song, from the fertility rites of ancient cultures to the sexualized YouTube videos of the present day, and discusses such topics as censorship, the legacy of love songs, and why it is a dominant form of modern musical expression.

While the first healers were musicians who relied on rhythm and song to

Bookmark File PDF The History Of Jazz Ted Gioia

help cure the sick, over time Western thinkers and doctors lost touch with these traditions. In the West, for almost two millennia, the roles of the healer and the musician have been strictly separated. Until recently, that is. Over the past few decades there has been a resurgence of interest in healing music. In the midst of this nascent revival, Ted Gioia, a musician, composer, and widely praised author, offers the first detailed exploration of the uses of music for curative purposes from ancient times to the present. Gioia ' s inquiry into the restorative powers of sound moves effortlessly from the history of shamanism to the role of Orpheus as a mythical figure linking Eastern and Western ideas about therapeutic music, and from Native American healing ceremonies to what clinical

Bookmark File PDF The History Of Jazz Ted Gioia

studies can reveal about the efficacy of contemporary methods of sonic healing. Gioia considers a broad range of therapies, providing a thoughtful, impartial guide to their histories and claims, their successes and failures. He examines a host of New Age practices, including toning, Cymatics, drumming circles, and the Tomatis method. And he explores how the medical establishment has begun to recognize and incorporate the therapeutic power of song. Acknowledging that the drumming circle will not—and should not—replace the emergency room, nor the shaman the cardiologist, Gioia suggests that the most promising path is one in which both the latest medical science and music—with its capacity to transform attitudes and bring people together—are brought to bear

Bookmark File PDF The History Of Jazz Ted Gioia

on the multifaceted healing process. In *Healing Songs*, as in its companion volume *Work Songs*, Gioia moves beyond studies of music centered on specific performers, time periods, or genres to illuminate how music enters into and transforms the experiences of everyday life.
