The Language of the Night: Essays on Fantasy and Science ...

The Language of the Night: Essays on Fantasy and Science Fiction is a collection of essays written by Ursula K. Le Guin and edited by Susan Wood. It was first published in 1979 and published in a revised edition in 1992. The essays discuss various aspects of the science fiction and fantasy genres, as well as Le Guin's own writing process.

---

The Language of the Night - Wikipedia

I'm now reading a collection of essays by Ursula K. Le Guin, "Language of the Night," and she offers an interesting take on many of these issues from the writer's point of view. She acknowledges the appearance of archetypes in her stories, but, with what she considers her best work, the story comes

from within her and only after it is written does she recognize the archetype that inspired it:
