Women, Work, and Politics. Book Description: Looking at women's power in the home, in the workplace, and in politics from a political economy perspective, Torben Iversen and Frances Rosenbluth demonstrate that equality is tied to demand for women's labor outside the home, which is a function of structural, political, and institutional conditions. They go on to explain several anomalies of modern gender politics: why women vote differently from men; why women are better represented in the ...
