Manual

was advertised as an inexpensive and reliable moped/motorbike that was easy to use. The V series actually started in the early 1970s with the initial line up of the V50, V70 and V90.

Then branched out to different variations in the mid 1970s with the V50p (to replace the V50) and V75 and then in the late 1970s added
